

Little Vet School (5-9yrs)

Little Medical School® brings medicine, science and the importance of health to children in an entertaining, exciting and fun way. Children learn while having fun as they dress up like doctors, use medical instruments and understand how the body works. Our programs aim to inspire children to aspire for careers in healthcare.

Meeting Dates/Times/Location

Saturdays, Sep 17 – Oct 22

421127.01: 10 – 11 a.m.

DCRC, Classrooms A/B

Days Off

If a class is canceled due to instructor illness or inclement weather, we will make every attempt to hold a make-up class. Please review our Inclement Weather Policy (backside of sheet).

Program Overview

Want to be a veterinarian when you grow up? The Little Medical School introduces kids to the exciting and inspiring world of veterinarians in this six week program. Using interactive demonstrations, crafts, and games, kids learn how to take care of a pet and use instruments that real veterinarians use! At the end of the program, our future veterinarians are able to accurately identify and explain the ABC's of dog care, laceration, and immunization.

Program Expectations for Parents

Parents are expected to bring their children to the program on time, and pick up promptly at the conclusion. Please make sure your child has used the restroom prior to the start of class.

Program Fees/Supplies/Dress

The program fee is \$150 for Residents and \$165 for School District & Non-Residents. Minimum enrollment is required one week prior to the program date. Children should wear comfortable clothing that allows for freedom of movement. Included in the fee, each child receives a real stethoscope and lab coat.

Recreation Center Policies

Inclement Weather Policy:

In general, DCRC class/activity schedules coincide with Dublin City Schools. When school is cancelled, all daytime DCRC classes are cancelled, and a decision regarding evening classes (those after 4 p.m.) will be made by 3 p.m. Whenever schools are released early, all evening classes at the DCRC are cancelled. If you are unsure if a class will be held due to weather, please check our website at <http://dublinohioussa.gov/recreation/closings> for the latest updates and cancellations before heading out. You can also call our pre-recorded information hotline at 614-410-4946. In the event of a cancellation due to weather, we will make every attempt to provide a make-up class. Instructors will provide information on make-up classes.

Sibling Policy:

Due to the structure of the child/parent programs, only children who are the appropriate age for the class will be permitted to register and attend the program. No younger or older siblings are allowed in the classroom to sit and watch or be left unattended in the lobby. For your convenience, we have a Wee Folk Room available for families who are in need of sibling care during our programs.

Parent Policy:

All preschool/youth programs require parents to bring their child directly to the room for the program to sign them in, and to sign them out at the conclusion of the program (if not a parent participation program). With your child's best interest in mind and to provide the best learning environment, we ask that all parents refrain from entering the teaching area during classes. This eliminates any interruptions between the instructor and participants. We feel it is beneficial for the children to have time alone to interact with their peers. To provide a safe environment, students must be able to follow directions and not be disruptive.

Healthy Kids:

If your child experiences any signs or symptoms of illness, please do not bring them to the programs at the DCRC. Symptoms of seasonal flu include fever, cough, sore throat, runny or stuffy nose, body aches, headache, chills and fatigue. Please be aware that if your child becomes ill or vomits during any of our preschool/youth programs, they must be removed from the facility right away. Refunds are not available due to illness.

Program Evaluations:

Our program evaluations are now paperless! You will receive an email after your final class thanking you for your participation and providing you a link to complete a short, online survey regarding your experiences in the class. We look forward to hearing from you! You can access this survey at anytime: <http://www.surveymonkey.com/s/KPH2R5C>
